UNEMPLOYMENT: Selected list of references to recent material

"The problem of unemployment . . . is insoluble by any mere expenditure of public money. It represents not a want to be satisfied but a disease to be eradicated. It needs not money so much as thought and organisation. It needs above all to be taken seriously."—BEVERIDGE.

BIBLIOGRAPHIES

Boston. Public library. Unemployment, selected references to recent books and periodicals in the Public library of the city of Boston. 10 p. 1928.

International labour office (Geneva). Bibliography on unemployment, ed. 2, covering the period 1920–1929. 1930. (Studies and reports, series C, no. 14)

HOW TO DEAL WITH THE EMERGENCY

Programs, Recommendations, etc.

For a bibliography on Unemployment insurance, not touched on here, see, Unemployment compensation, a chronological list of books, reports and periodical articles in English 1891–1927, compiled by Linda H. Morley, and issued, June 1928, by the Industrial Relations Counselors, Inc. 165 Broadway, New York, N. Y.

Allen, G. C. Labour transference and the unemployment problem. (in Econ. jour. v. 40, p. 242–48, June 1930)

Sets forth the experience of Birmingham, Eng., in the absorption in new industries of workers thrown out of employment in their regular trades.

American association for organizing family social work (now Family welfare association of America). Distributing the load; some suggestions as to emergency measures in a period of wide-spread unemployment. (in The Family. v. 2, January 1922, Section 2)

——— The Time to plan is now; the Industrial problems committee suggests methods of meeting unemployment. 19 p. N. Y. The Assn. 1929.

The association has in preparation two pamphlets entitled: Administration of relief in unemployment emergencies, and Care of the homeless in unemployment emergencies. See also files of The Family and the Newsletter issued by the association, 130 E. 22d St., New York, N. Y.

American economic association. Round table conferences: Public works and unemployment. (in its Papers and proceedings of the forty-second annual meeting, December 1929: Amer. econ. rev. March 1930, supplement. p. 15–29)

The discussion ends with the following words—"In short, as we grow better acquainted with the problem of stabilization through public construction, we begin to see that what is needed is not so much the creation of a reserve volume of public works during prosperity as the devising, in advance, of machinery which will allow the prompt initiation or acceleration of the huge latent reserve of needed improvements usually already in existence."

Chase, Stuart. Nemesis of American business. (in Harper's mag. v. 161, p. 129–38, July 1930)

Offers programs toward liquidating unemployment.

Colcord, Joanna C. Community planning in unemployment emergencies. 86 p. N. Y. Russell Sage foundation, 1930. (C. O. 68.)

Douglas, Paul H. Toward unemployment relief; the Wagner bill for adequate employment service provides the first step. (in Woman's press. v. 24, p. 699–700, Oct. 1930)

Kellogg, Paul U. Dayton plans for work. (in Survey. v. 64, p. 71–72, April 15, 1930)

See also Monthly labor review, June 1930.

Klein, Philip. Burden of unemployment; a study of unemployment relief measures in fifteen American cities, 1921–22. 260 p. N. Y. Russell Sage foundation, 1923.

New York (City). Mayor's committee on unemployment. How to meet hard times; a program for the prevention and relief of abnormal unemployment. January 1917.

Summarized by Bruno Lasker and published as a supplement to the Survey, Feb. 5, 1921.

Philadelphia. Chamber of commerce. Industrial relations committee. Program for the regularization of employment and the decrease of unemployment in Philadelphia; report of a sub-committee. 41 p. 1929.

President's conference on unemployment. Planning and control of public works; report of the Committee on recent economic changes, including the report of Leo Wolman. 260 p. N. Y. Nat'l bureau of economic research, inc. 1930.

See also Mund, V. A. Prosperity reserves of public works. 49 p. Philadelphia, Acad. of pol. & social science, 1930. (Annals. v. 149, part 2)

Richmond, Mary E. Emergency relief in times of unemployment. N. Y. Russell Sage foundation, 1930.

A summary of the experiences and policies of agencies responsible for the administration of relief in the United States during the last thirty years.

Reprint of a chapter in "The Long View," just issued by the Foundation. Copies of the reprint may be obtained without charge, while the supply lasts, from the Charity Organization Department, Russell Sage Foundation, 130 E. 22d St., New York, N. Y.

Sherrill, C. O., and Hoehler, Fred. How Cincinnati met the unemployment crisis. (in Nat'l municipal rev. v. 19, p. 289–92, May 1930)

Thomas, Norman. A Program for unemployment. (in World tomorrow. v. 13, p. 215–17, May 1930)

GENERAL BOOKS

Beveridge, W. H. Unemployment, a problem of industry (1909 and 1930). New ed. 514 p. London, Longmans, 1930.

Bibby, J. P. Unemployment; an analysis and suggested solution. 136 p. London, King, 1929.

Calkins, Clinch. Some folks won't work. 202 p. N. Y. Harcourt, 1930.

Based upon family histories gathered by settlement workers throughout the country.

Clay, Henry. Post-war unemployment problem. 208 p. London, Macmillan, 1929.

"Professor Clay's book reviews the problem of unemployment in this country (England) with the author's usual mastery of details, and indicates the only effective way of solving it."

Review in Times (London) Lit. sup. p. 776, Oct. 10, 1929.

Davison, R. C. The Unemployed, old policies and new. 292 p. London & N. Y. Longmans, 1929.

Includes a selected bibliography of official publications dealing with unemployment, 1920–1928.

"The object has been to write a narrative of events, to sum up and report progress, rather than to make an exhaustive statistical study of any particular phase of unemployment."

Douglas, Paul H. Unemployment and the real earnings of the wage-earning class as a whole. (in his Real wages in the United States, 1890–1926. 1930, p. 401–580)

Feldman, Herman. Regularization of employment; a study in the prevention of unemployment. 437 p. N. Y. Harper, 1925.

Among the remedies suggested are: long-range planning of public works, the co-ordination of agencies in the labor market, the transfer of man power from one district to another and various possible methods of "decasualizing" labor.

Great Britain. Labour, Ministry of. Industrial transference board. Report. Lond. Govt. 1928. (Cmd. 3156)

Appointed "for the purpose of facilitating the transfer of workers, and in particular of miners, for whom opportunities of employment in their own district or occupation are no longer available."

Hobson, J. A. Rationalisation and unemployment; an economic dilemma. 126 p. N. Y. Macmillan, 1930.

International labour office (Geneva). Studies and reports, series C (unemployment):

no. 11, Stabilisation of employment in the United States, by J. R. Bellerby. 1926.

no. 13, Unemployment, some international aspects, 1920–1928; report presented to the Twelfth session of the International labour conference, May–June 1929.

May be obtained from the World Peace Foundation, 40 Mt. Vernon St., Boston, Mass.

Jackson, G. E. Cycles of unemployment in Canada. (in Toronto, University of. Contributions to Canadian economics. v. 1, 1928, p. 40–55) Toronto, Univ. library, 1928.

Lewisohn, Sam A., and others. Can business prevent unemployment? 226 p. N. Y. Knopf, 1925.

In addition to Mr. Lewisohn, chapters are written by Ernest G. Draper, John R. Commons, Don D. Lescohier.

Martin, P. W. Unemployment and purchasing power. 85 p. London, King, 1929.

New York Committee on stabilization of industry for the prevention of unemployment. The First state program for employment. (in Survey. v. 65, p. 257–60, 290–95, Dec. 1, 1930)

Henry Bruere, chairman.

National conference of social work. Proceedings:

1929, Kellogg, P. U. Unemployment and progress, p. 80–102.

Unemployment: Some new problems for the family agency arising out of industry, by Neil Scott; The Responsibility of the case working agency, by E. D. Lynde, p. 309–28.

President's conference on unemployment. Business cycles and unemployment; report and recommendations of a Committee of the Conference, including an investigation made under the auspices of the National bureau of economic research. 405 p. N. Y. McGraw, 1923.

Rees, J. M. Unemployment as an international problem. 188 p. London, King, 1926.

In the introduction the author states the purpose of the book is: first to survey the close world interrelation between the political and economic forces in the period immediately following the Armistice, and second to examine the state of tension throughout the post-war years and its elucidation.

United States. Congress. Senate. Stabilizing of industry. 6 p. Wash. 1930. (71st cong. 2d sess. S. doc. no. 109)

Mr. Fess presented the Outline of plan of work on stabilization of industry as recommended by eight state-wide associations at a meeting held at Columbus, Ohio, Feb. 1930.

——— ——— ——— Unemployment in the United States; hearings before the Committee on education and labor, pursuant to S. Res. 219, a resolution providing for an analysis and appraisal of reports on unemployment and systems for prevention and relief thereof, together with Senate report no. 2072. 517 p. Wash. Govt. 1929.

Includes the Report of Institute of economics of the Brookings institution, by Isador Lubin.

——— ——— ——— Unemployment in the United States; hearings before a Subcommittee of the Committee on commerce, on S. 3059 . . . S. 3060 . . . S. 3061, March 18, 21 and April 1, 1930. 109 p. Wash. Govt. 1930. (71st cong. 2nd sess.)

S. 3059—A bill to provide for the advance planning and regulated construction of certain public works, for the stabilization of industry, and for the prevention of unemployment during periods of business depression.

S. 3060—A bill to provide for the establishment of a national employment system and for cooperation with the states in the promotion of such system, and for other purposes.
